Objective

My goal is to obtain a dynamic position in which it's possible to grow and to develop my personal skills, to work on my social network and to gain technological responsibilities in mid-class to enterprise environments as an IT-consultant.

Additional information

In position of a driver's license (type B) since July 2006.

RealDolmen
System Engineer

Integration (projects) and maintenance (daily operations) of SAN environments, backup- & archiving solutions.

August 2008 – Present
(6 years & 9 months)

Past- & current projects:

- CHU Mont-Godinne Dinant (Archiving)
- De Watergroep (Archiving)
- Euro Pool System (Backup)
- SMB Laboratoires (Backup)
- Gaming commission (Backup)

UCB Pharma
IT Consultant

Management of a CommVault backup environment of approximately 400TB. Technical project leading for new integrations all over the world. Current project: Atlanta.

February 2014 – Present
(1 year & 3 months)

Part-time function in combination with another colleague. Our assignment includes to instruct and assist level-3 colleagues in daily management, troubleshooting, project integrations, etc.

Past- & current projects:

- Atlanta project: backup & recovery project including ediscovery of filesystem data
- Analysis of different storage arrays from a backup point perspective (backup integration and secondary storage media)
- Upgrade of the CommVault environment from version 9 to version 10 within the Global Datacenters

Belgian Justice Department
System Engineer

Management of a replicated SAN environment (150TB allocated capacity) based on HP P6000 hardware. Recurrent consultancy assignment (1d/month).

March 2012 – November 2014
(2 years and 9 months)

SMALS
SAN Administrator

Management and maintenance of several storage arrays (brands: HP P6000, EMC VNX & HDS VSP).

March 2013 – September 2013
(7 months)

Temporary part-time function while customer was looking to hire a new person (insourcing).

Mega-doc NV
Internship

Configuration of hard- and software for 'in vitro diagnostic' research.

February 2008 – May 2008
(4 months)

Delhaize Group
Order picker

Weekend- & holiday job

February 2006 – July 2008
(2 years and 6 months)
